Thank you
for purchasing your

Dual Encore® Inline Powder Feed Pump

Your manual number is:
1628524

Nordson

SAFETY INFORMATION

- Read and follow the safety instructions stated in the manual and all other related documentation. Task- and equipment-specific warnings, cautions, and instructions are included in equipment documentation where appropriate.
- Make sure all equipment documentation is accessible to persons operating or servicing equipment.
- Allow only qualified personnel to install, operate, and service the equipment.

Safety Manual

Operating and Maintenance Manuals

Use the QR Code to go directly to your manual.

Download and have your equipment operator review the manual before start-up. The manual contains important safety, installation, operating, maintenance and troubleshooting information.

The manual for your Nordson product is available on our documentation website:
https://emanuals.nordson.com/finishing/index.htm

Declarations of Conformity are included with the maintenance manual on the documentation website.

For parts and technical support, call the Industrial Coating Solutions Customer Support Center at (800) 433-9319 or contact your local Nordson representative.
