**Fulfill® Retrofit Light Tower Kit - P/N 1121806**

Follow these instructions to add a light tower to a Fulfill Retrofit melter.

**WARNING:** Risk of personal injury or equipment damage! Refer to the safety information provided in the melter manual before servicing the melter. Failure to comply with the safety information provided can result in personal injury, including death.

**Required Tools:**
- Wire strippers
- Phillips head screwdriver
