Technical Documentation Local Languages (TDLL)

Documentation List
August 2025

Issued by Nordson Industrial Coating Systems Technical Communications

Attention:

Language abbreviations in accordance with the ISO standard will apply from 2020.

Documentation List

Introduction

The Documentation List is updated and distributed monthly. It details translated manuals, instructions and operator's cards.

Translated documents are available at:
https://emanuals.nordson.com/

To request a translation, send your request to:
ICSTechComm@nordson.com

Content

Documentation list includes product manuals and documentation for Industrial Coating Systems.

Finishing
Automotive / Container / Electronics / Liquid

US Powder

UK / Europe Powder

Nordson UV

Nordson Sealant Equipment

Abbreviations and Header Line

Document Type:

- DC Declaration of Conformity
- IN Instructions
- MA Manual
- OP Operator's Card
- PA Parts List
- PI Product Information Sheet
- SA Safety Section
- SU Supplement

Languages:

	Past	*ISO*			*Past*	*ISO*	
-	BU	**bg**	Bulgarian	-	KO	**ko**	Korean

-	JA	**ja**	Japanese				

The header line is made up of the following:

- Model Specific Model name
- Product Title Full title of document
- Langs. Languages available (see abbreviations above)
- P/N Part Number of document
- Type Document type (see abbreviations above)
- Price Category Number denoting price per copy
- Notes Any additional useful information

NOTES: All documents within each section are sorted alphabetically according to *Model*. **Exceptions** - Nordson Finishing, JM Laboratories, Nordson UV (Spectral) and Nordson UK/ Europe are sorted according to *Product Title*.
