

# Encore® Can Lance Blank Nozzle

The Encore Can Lance has an optional blank nozzle that can be machined to customized specifications without affecting its functionality and quality.

## Blank Nozzle Customization

**WARNING:** Allow only qualified personnel to perform the following tasks. Follow the safety instructions in this document and all other related documentation.

In order to retain the quality and functionality of the Nordson nozzle, only certain areas for the nozzle can be altered. Figure 2 shows the areas that can be machined.
