

Lance Extensions for Prodigy™ Manual Powder Spray Guns

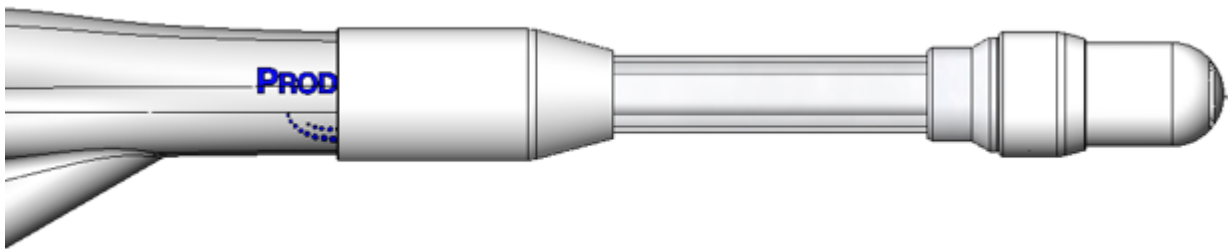

WARNING: Allow only qualified personnel to perform the following tasks. Follow the safety instructions in this document and all other related documentation.

WARNING: Turn off the spray gun control unit and ground the gun electrode before performing the following tasks. Failure to observe this warning could result in a severe shock.

Description

See Figure 1. Prodigy Manual Powder Spray Gun Lance Extensions extend the length of the powder path to help spray powder into recesses and interior corners. Lance extensions are available in 150- and 300-mm lengths.
