

Spectrum[®] VT and HD Feed Center Controller Anchor Kit

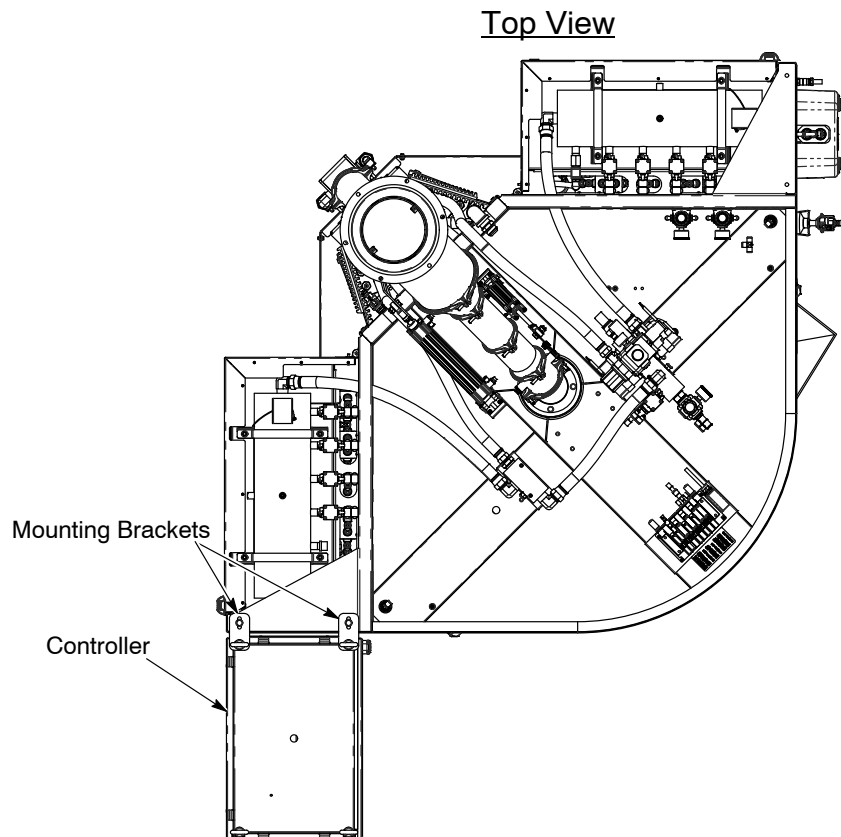

WARNING: Allow only qualified personnel to perform the following tasks. Follow the safety instructions in this document and all other related documentation.

This instruction is for installing the controller anchoring kit for the Spectrum[®] VT and HD feed centers. For complete feed center installation instructions, refer to the respective feed center manual.

Installation

See Figure 1. Install mounting bracket underneath lifting eyelet on the top of the feed center to the connection point on the feed center controller using provided hardware.
