

*Thank you  
for purchasing your*

**Prodigy® HDLV  
Pump Gen II,  
Pump Manifold,  
and Circuit Board**

*Your manual number is:*  
**1081195**

**SAFETY INFORMATION**

- Read and follow the safety instructions stated in the manual and all other related documentation. Task- and equipment-specific warnings, cautions, and instructions are included in equipment documentation where appropriate.
- Make sure all equipment documentation is accessible to persons operating or servicing equipment.
- Allow only qualified personnel to install, operate, and service the equipment.

**Safety  
Manual**

**Operating and Maintenance Manuals**

Use the QR Code to go directly to your manual.

Download and have your equipment operator review the manual before start-up. The manual contains important safety, installation, operating, maintenance and troubleshooting information.

The manual for your Nordson product is available on our documentation website:

<https://emanuals.nordson.com/finishing/index.htm>

Declarations of Conformity are included with the maintenance manual on the documentation website.

***For parts and technical support, call the Industrial Coating  
Solutions Customer Support Center at (800) 433-9319 or  
contact your local Nordson representative.***
