

Retrofitting Kit *Muffler* for Cable Coater ECC 700

Safety Instructions

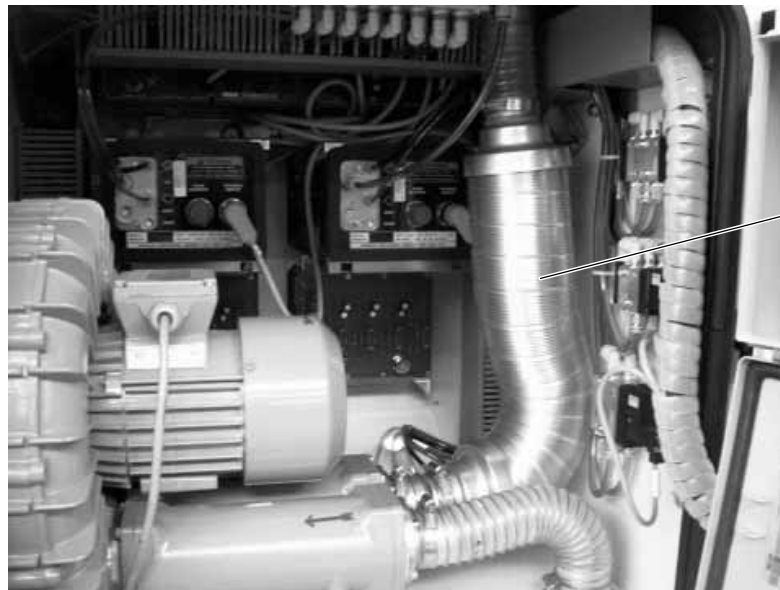

WARNING: Allow only qualified personnel to perform the following tasks. Observe and follow the safety instructions in this document and all other related documentation.

Use

The retrofitting kit is used to equip a cable coater ECC 700 with a muffler.

Retrofitting

1. Fit (bend) muffler (1) and fasten with clamps.

2. The ECC 700 has a new article number (P/N or ID) after retrofitting. Replace ID plate.
